

DOUBLE WIDE SHELVING

Efficient and Affordable Shelving

DOUBLE YOUR ADVANTAGE OF MERCHANDISING SPACE

COOLER/FREEZER SHELVES

Energy Door Company offers double wide flat wire shelving to withstand the most demanding environments. Our shelving is manufactured in-house to support our customers needs and assures us the highest quality shelving standards. All shelving is equipped with a matching price tag mold that allows the retailer the opportunity to display their selected advertising message or pricing. Double wide flat wire shelving is available with black or white finish.
